MEMORANDUM FOR THE RECORD

SUBJECT: Hopewell Gap Microwave Relay

I contacted [REDACTED], C/RE&CD Real Estate Branch, and updated him on our plans to install a microwave tower at Hopewell Gap. George was glad to hear that we had abandoned the Hattingtown tower caper and had found an alternative. I told him that no action was necessary from his branch, but that we just wanted to keep our lines of communications open so that they would know what was going on. He thanked me and said that he would call if he had any further questions.
